DAZZLING DATA, DIZZY DISPATCHES, AND DANGEROUS DECLARATIONS OF RATHER DUBIOUS DISTINCTION!

ITEM: As though we don't have enough mags to publish now, all you madcap MMMS'ers have already received the first great issue of our newest and our most exclusive publication THE MERRY MARVEL MESSENGER- mailed free of charge to all loyal, card-carrying members of the nuttiest fan club in history! And now another daring development. We've finally changed the membership kit that all MMMS are receive as soon as we've cajoled them out of their hard-earned initiation fee! We've added goodies than ever just to prove that Marvel's always on the move! (We don't know where we're going, but we're on the way!) And, in our usual blundering, big-hearted manner, we're not forgetting you former members, either. Any of you who'd like to latch onto our newest kit will be able to do so at a reduced rate- in fact, we'll offer it absolutely at cost to those who are already followers in the foot steps of Forbush! But now 'tis time for other titanic tidbits- so, ever onward!

ITEM: This is what you've been waiting for! (We hope!) The first official scoop on our king-sized SPECIALS for this summer! We're going have a half-dozen super-deluxe bombshells once more—but you'll find a couple of surprises among them. The first two titles will be MILLIE THE MODEL (which we toss in each year for your sisters and gal friends) and SGT. FURY AND HIS WHATCHAMACALLEMS. A month later, we'll follow up with (and here are the surprises) DAREDEVIL and THE AVENGERS! Then, while you're still restin' THE FANTASTIC FOUR and SPIDER-MAN will bust you outta your trees! We're omitting THOR this year because he'll be featured in THE AVENGERS, and that gives us a chance to launch the king-sized DAREDEVIL. Now, here's the neat bit of sizzling news – each mag will feature all—or nearly all—original material—much more than last year's Specials, or the year before! We're gonna fill 'em up with feature pages, pin-ups, and everything else you've been clamoring for. However, one important word of caution! Remember how difficult our Specials were to find on last summer's crowded newsstands? Well, this time play it safe - tell your newsdealer right now to reserve the titles you want -to put them away for you as soon as he receives 'em. You'll be glad you did, tiger!

ITEM: It looks like we did it again! Another king-sized goof! Remember last ish when we omitted the Marvel Checklist? We thought we'd wait a bit to learn if anyone missed it. But we never even got a chance to wait for your mail! The men at the printing plant – the gang in the mailroom – the messengers from the corner lunchroom -and everyone else who happened to be within earshot, all set up a howl that could be heard clear over to Brand Echh. It seems that we had merely tossed away one of that favorite features! So, if everyone else feels that way about it, we figure you do, too. Ergo, if you'll glance at the side of this page, you'll see the ol' Checklist back again and our eager beaver editorial staff more red-faced than ever!

ITEM: We're just enough space left to welcome Dandy DAN ADKINS to the blusterin' Bullpen. Dan's the fellow who drew the cover of X-MEN #31 as well as the Sub-Mariner yarn for ASTON SH #92. Run, do not walk—it's now on sale!! If his style reminds you of another former Marvel-man, it's because Dan has worked with him, sometimes anonymously, for quite a while.

But now the dandy one is on his own, and we have a hunch he's headed right for the top of Marvel stardom. We also wanna welcome ODDEN WHITNEY and GEORGE BELL back to the fold and say hello to HERB TRIMPE (pronounced Trimp-y), another fabulous fledgling. You'll be seeing the aforementioned stalwarts represented more frequently as time goes by- you lucky devils you!

ITEM: We've received a zillion letters (wouldja believe a couple?) asking us to have Our Leader do an editorial on this page each ish, in order to bring the Marvel Message to all True Believers! Hence, in obvious obeisance to thy slightest wishes, O Keepers of the Flame, we hereby inaugurate a forensic new feature, to be known forevermore as

STAN'S SOAPBOX!

Hang loose, hairos. Now that I've got your ear, I'm not lettin' go! Our first (unpalpitating) topic is gonna be: "The Marvel Philosophy." Whenever I get together with any of you frantic ones, the first question posed is usually: What are you folks really trying to do in you mags? What message are you pushin'? Is the whole Marvel scene just a big put-on, or are you trying to TELL us something? Are you actually serious about your characters, do you really believe in 'em? Etc.! Well, just between us, we believe in our cavortin' characters a lot more than we believe in some people we know, and we do have a motive- a purpose- behind our mags. That purpose is plain and simple – to entertain you! We think we've found the best formula of all- we merely create the type of fanciful yarns that we ourselves enjoy - and, if we like 'em you oughtta like 'em too after all, you're our typical people! Now then, in the process of providing off-beat entertainment, if we can also do our bit to advance the cause of intellectualism, humanitarianism, and mutual understanding - and to toss a little swagger satire at you in the process – that won't break our collective heart one tiny bit! There it, pussycat. Thanks for listenin'!

THE WRAP-UP: That stinks it for now, frantic one. But, before we cut out, we wanna remind you to drop Stan a line and tell him what you'd like him to talk about on this page each month. Otherwise, he may not be able to think of a thing to say (That'll be the day!) So, till we make the scene together again, face front, hang loose, and be good to each other. The human race may not be perfect, but it's the only one we've got! Nuff said!

PENCILED BY RON LIM
COVER BY JIM STARLIN

After REVELATION and RELATIVITY comes a grand Finale to Jim Starlin's new Infinity trilogy! Desperate times called for mad measures. Facing checkmate in his latest grand game of cosmic chess, Thanos took himself off the board — violently. Yet, for the paramour of Death, oblivion is so often temporary. Now the Titan is back — but the galaxy has been ravaged in his absence. Annihilus, lord of the Negative Zone, is harnessing the godlike power of Adam Warlock to wage genocide across the universe. Only a handful of heroes, and one or two villains, still stand. Will those few that remain choose between two evils and ally themselves with Thanos? Even that might not be enough to avert the total annihilation of everything there is. And this time, the obliteration of all time and space may truly be the end…

They're best friends, teammates, brothers-in-arms — but that bond is tested to the limit when Falcon targets the Rivas drug cartel, and the Super-Sailor known as the "Anti-Cap" sets his sights on Sam Wilson! Can Captain America thwart his dark doppelgänger before Sam Wilson's wings are clipped? Fingers crossed, because there's a Mental Organism Designed Only for Killing waiting in the wings, and nobody's better at stopping him than Cap and Falcon! But M.O.D.O.K.'s not the only big headache on the horizon, with the Avengers about to be Disassembled and all. Is this really the best time for Steve to be kissing the Scarlet Witch? Plus: With the Rivas out for revenge, Falcon may cross a line that could finish one of comics' greatest partnerships once and for all! Collecting CAPTAIN AMERICA AND THE FALCON (2004) #1-14.
